MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Military Family Program—Community Calendar Access

Recently, Spouse and Family members have reported issues and problems accessing the Carlisle Barracks Community Calendar (CC). To ensure access to this valuable resource, here are a few helpful tips:

1. To connect to the CC, use the following link:
 - a. Go to <https://publicportal.carlisle.army.mil/sites/comcalendar>
 - b. Or access directly from the following sites:
 - USAWC External Homepage
 - USAWC Banner Homepage
 - USAG Homepage
2. *Every PC that accesses a DoD/Army system (on or off post) should have the DoD Root Certificates installed to properly access the resources. Users must manually load the certificate. Assistance is provided at:*
https://help.us.army.mil/cgi-bin/akohd.cfg/php/enduser/std_adp.php?p_faqid=24
3. We have identified some minor compatibility issues with users who have Windows 7 and Internet Explorer 9. This results in a minor reduction of functionality, but does not prohibit access to the CC nor the information it provides. The current Army supported platform is Windows Vista with Internet Explorer 8 to which our systems comply. We are currently researching potential solutions to reduce or eliminate these compatibility issues.

Any issues should be reported to the Webmaster at carl_webmaster@conus.army.mil
